Dear Sirs

**Re: Mr David Haigh – Date of Birth 17/07/1977  
Trevorian, Sancreed, Penzance, Cornwall TR20 8RP**

I am writing to confirm Mr Haigh remains a patient in hospital. He is in a vulnerable mental state and his level of risk is such that he is on 15 minute observations. He has been advised in the interests of his health to avoid any activity at this time other than focusing on his treatment and recovery, this includes engaging in any activity or interaction that relates to or reminds him of his ordeal in Dubai, such as engaging with this Court.

It should be noted that the Priory IT system does not allow patients to send or receive emails through the system.

Yours faithfully

**Dr Paul McLaren MA MSc FRCPsych  
Consultant Psychiatrist and Medical Director**
